A Prayer Fit For A King

P

salm 72 is a prayer for King Solomon. It's possible that his father, King David, prayed this prayer for his son.

Another possibility is that Solomon prayed this prayer for himself.

But whoever prayed this prayer, in verse 4, he asks God to help the king do three things:

- to **STAND UP** for the poor
- to **LIFT UP** the children of the needy
- to **COME DOWN** hard on the oppressors

In other words, to make Solomon the kind of king that God Himself is.

Quick to help the helpless, defend the defenceless, lift up a hope for the hopeless and a voice for the voiceless.

We at Barnabas Ministries Africa & New Life Home Trust feel called to the same work.

Please stand with us in prayer, as we stand with God, for the poor.

PLEASE

stand up for the poor,
help the children of the needy,
come down hard on the cruel tyrants.

Psalm 72:4

Across Barnabas Ministries Africa

We are thanking God

- For the National Budget, read on 8th June, which seems to bring hope.
- For a successful School of Ministries in Dar-es-Salaam with a very encouraging 42 delegates attending.
- Especially for those delegates in Dar-es-Salaam who had never attended any Bible School previously.

We are asking God

- To raise up specific sponsors for School of Ministries in Dar-es-Salaam so that we can continue to strengthen the church in Tanzania.
- To raise up a missionary, who will be based in Dar-es-Salaam, to develop and work closely with the Tanzanian leadership.
- For peace across Kenya, but especially on Somalia's borders, as we travel on missions to different places.
- That in spite of the instability on the borders, we would continue to reach out to the unreached.
- To provide for the starving widows and orphans and bring rain to those who depend on farming to live.

- For the many volunteers, from Kenya and overseas, coming to help us.

We are asking God

- To provide each Ark child with one individual who will commit to take them out every 6 weeks.
- To send us abandoned HIV babies immediately from birth, so that we can begin anti-retroviral therapy without delay, helping to protect them from opportunistic infections.
- To increase the donations from sponsors in Kenya, which currently provide just 10% of our budget.
